

A comprehensive solution comprising bank products and services especially designed to increase sales and profits.

Business Enterprises Package

(Paquete Comercio Empresarial)

What is it?

Paquete Comercio Empresarial is a comprehensive solution comprising Bancomer's products and services for business enterprises that want to promote and manage sales via credit and debit cards.

Why should you sign up?

So your company or business entity...

Can promote and manage sales:

- Accepting the most prestigious credit and debit cards (Visa, Master Card, Electrón), as well as credit cards in dollars of foreign issuers

As it:

- Is engaged in the travel and entertainment business (hotels, restaurants, car rentals, airlines) or in the following industries: furniture stores, department stores, hospitals and clinics, universities, insurance and bonding, car dealerships, supermarkets, telecommunications, sports clubs or cable TV

But also wants to streamline the management of its treasury with:

- The best electronic banking in the market to manage cash flows derived from operations and sales
- The *Comercio Empresarial Bancomer* checking account

Special solutions with *Terminales Punto de Venta Bancomer (TPV)* to streamline the management of your treasury by using e-banking!

Specific solutions to your needs...

Bancomer implements the technological solution that best suits your needs and your business' activities:

- ***TPV Unicaja, Multicaja, Multimerchant/multiafiliación, Servidores (servers), V-POS, SEBENT*** for businesses that sell products or render services through the Internet: ***Host to Host*** aimed at major store chains with the necessary infrastructure to maintain a direct connection between their central equipment and that of Bancomer.

Why choose *Terminales Punto de Venta Bancomer (TPV)*?

Bancomer has a 30% market share thanks to the preference of our customers: We offer them specific solutions adapted to their lines of business and business conditions.

**Stronger sales...**

By having the **BEST MARKET PROMOTIONS**, such as interest-free monthly installments (*Meses sin Intereses*), to increase your sales.

Better promotion...

- By signing up for *Meses sin Intereses* your business will receive posters, tent cards, door acrylic adverts, and the chance of advertising at Bancomer's credit card portal

Reach your potential buyers...

- Also at your request, discount advertising of your products in *Entre Amigos* magazine or direct mail delivery to our cardholders' database
- Millions of clients are Bancomer cardholders which can become potential customers for your business

Topmost availability of funds...

- The proceeds of your sales are deposited to your checking account overnight if transferred through a terminal, and 48 hours later if a branch is used
- Also, you have immediate access to your funds via Bancomer's electronic banking

Avant-garde image...

- Bancomer offers you the best market technology and helps you give your business an innovative image
- On-line banking for businesses via the Internet or *Cash Windows*, the most prestigious system in the market

Great benefits also for your customers...

- The best payment option amounts to satisfied customers
- The convenience of avoiding bank visits, staying in line, carrying cash, receiving reminders
- No fee charges

Minimum requirements for companies or business entities...
