

Net Credit

(Crédito Líquido)

What is it?

Short term financing in which you can dispose of your current account credit at the time you require it, through the use of your electronic banking, all from the comfort of your office,

Allows timely fulfillment of the commitments made with suppliers, creditors and employees, among others, without interfering with the productive cycle of your Company.

Why should you sign up?

- Assurance of having liquid resources right at the time you need them
- No pre- paid penalty
- Available in 3 modalities: Annual provisions, deadline provisions with fixed rate and variable rate.
- Provisions on the electronic channel until 7 pm
- Efficiency in the treasury, having the resources only when you need them and pre pay when your flows register
- Security: By obtaining the resources through our electronic services, which are protected by the most modern information management systems
- Control: you can consult all the information about the status of your credit line and the movements you have registered
- Available in MN and USD
